

## Future focused school and college management software.

Osignee provides comprehensive solutions for schools, colleges, and academies to effectively manage their schedules, payment systems, and relationships with students and staff members, among other important aspects.

### Who We Are

Osignee has established itself as a premier Software as a Service (SaaS) provider in the educational institute management software industry. Our state-of-the-art system offers streamlined administration and management solutions for educational centers and businesses of all kinds.

At Osignee, we believe that education is the cornerstone of progress. Our mission is to empower educational institutions with cutting-edge tools that enhance efficiency, improve communication, and foster an engaging learning environment. We understand the unique challenges faced by schools and colleges in India, and we are committed to providing solutions that cater specifically to these needs.

### Our Mission

At Osignee, we firmly believe that education is a fundamental right that should be accessible to all individuals, not just a privilege for the few. We understand the challenges that come with managing a school or training business, which is why our goal is to redefine the experience of running an educational institution. Our aim is to make the experience seamless, empowering, and accessible to all.

We are committed to simplifying the complexities of managing a successful educational institution, ensuring that school management becomes an enjoyable and highly efficient endeavor.

With Osignee, we strive to transform education administration into a global, accessible, and user-friendly experience, allowing educators to focus on the learning journey without worrying about the administrative hurdles.

### Why Choose Osignee Software?

#### Eliminate Endless Spreadsheets:

Excel is not designed for managing a school's processes. Osignee solves disorganization, human error, and lost details!

#### Monitoring

Access all your scheduling, fee, lesson, and attendance data in one place.

#### Improve Retention and Engagement

Our staff, student & parent portal provides a professional advantage for your teaching business, with automated messages to connect parents, teachers, and students.

#### Save lots of time

Osignee simplifies institute management. Tasks that take 5-10 mins on Excel take seconds with us.

#### Accessible Anytime, Anywhere

Osignee offers a cloud-based institute management system that provides anytime, anywhere access to teachers and students. Our mobile app is available on the App Store and Google Play.
